Issued March 2018

What kind of place is Yokkaichi

Yokkaichi is located in the northern region of Mie Prefecture, between Ise Bay and the Suzuka Mountains.

The city is positioned on the "Tokaido", an old route that connects Edo Nihonbashi (Tokyo) with Kyoto, and was a flourishing post town where many travelers stopped by for lodging.

Currently, Yokkaichi has developed into an industrial city with Yokkaichi port as the center of business.

Regular Markets
